I would like to contract for the following final course grade in this class: _____.

Please place your initials next to each of these:

I understand that the grade listed above is the maximum grade I can be awarded for this class.

I promise not to use internet access, watch movies, or do any activities with my computer during class time; the computer will only be used to take notes from class content.

I also understand that to receive a course grade above a B+ I must complete all basic requirements for the class at an acceptable to superior level ("superior" is *not* in reference to others, but rather superior in contrast with acceptable).

I understand that to get an A or A- I need to complete the above, read designated additional Loder textbook materials, weekly contribute dialogue on Blackboard, and perform all tasks at the quality levels specified in the syllabus.

I affirm that I have read and understand the details related to these requirements in the syllabus.

I promise to keep confidential information of a personal nature revealed by other students.

This promise reflects the goal of the classroom being a safe place, where personal issues can be raised and all students can be affirmed in a warm, accepting manner, without fear of reprisal from peers or professor.

I understand that the final grade in the class can be significantly influenced by regular attendance (absences may be excused without penalty), contributing positively in class, turning in requirements on time (unless excused), and regularly consulting with the instructor about progress in the class.

YES NO I would like to meet with my instructor for lunch to get better acquainted.

I understand that it is possible to revise this contract only if requested in person more than a week in advance of related assignments, and by mutual agreement of the student and instructor. By my signature, I affirm that I have read this sheet carefully, and understand the above commitments.
